

# Oven Roasted Peppers

From Sundown Foods USA, Inc.

Peppers come in many different forms and range from sweet to spicy, but add our slow-roasting process and delicious flavor profile and the classic pepper is taken to another level! Our Oven-Roasted Peppers pack a full mouth flavor. The slow-roasting process allows the pepper to soften just right while still possessing a slight crunchy quality!

We offer our peppers in a variety of pack sizes and also give our customers the ability to customize the packaging to best suite their needs!

More convenient to use than fresh Peppers, Sundown Foods' Oven Roasted Peppers offer the following benefits:

- ◆ Customizable ingredient and packaging configurations
- ◆ Portion control
- ◆ Consistent size
- ◆ Long shelf life
- ◆ Concentrated flavor
- ◆ Unique mouth appeal
